

Win

Wash UV4

MANUAL UV WASH

PRODUCT DESCRIPTION

Win Wash UV4 is a blend of solvents, free of aromatic hydrocarbons, suitable for the removal of UV and EB curing inks from rollers and blankets. Win Wash UV4 may be used by hand and will exhibit a moderate evaporation rate.

DIRECTIONS FOR USE

For rollers:

Apply with a wash up bottle to rollers and run-in. Apply scraper blade to remove ink and solvent. For colour changes it is recommended that two applications are made.

For rollers:

Apply with a rag or lint-free wipe, allow a few seconds for solvent to penetrate ink film and then wipe down. Finally wash blanket with clean water.

Do not allow Win Wash UV4 to come into contact with the image areas of unbaked positive plates.

MAJOR POINTS

- Class A II product
- Moderate evaporation.
- Fast and effective cleaning.
