

# Win

# Premier MRC

## METERING ROLLER CLEANER

### PRODUCT DESCRIPTION

A premier, metering roller cleaner and conditioner, Win Premier MRC will remove any hydrophobic contaminants from the roller surface and replace them with a durable hydrophilic film ensuring efficient void free transfer of water. Formulated for use with chrome, steel and rubber rollers. Evaporates fast from the rollers and leaves no residue

### DIRECTIONS FOR USE

Apply to metering roller with a cloth or lint free wipe. Wipe over to remove greasy contaminants. Do not allow contact with unbaked printing plates.

### MAJOR POINTS

- Restores hydrophilic properties to metering rollers
- Increases time between washes
- Completely removes greasy contaminants from roller surface.
- Fast drying

### PACKAGING

5L containers.
