

# Win

# Wash A60QS

## AROMATIC FREE AUTOMATIC WASH

### PRODUCT DESCRIPTION

Win Wash A60QS is zero aromatic, corrosion inhibited and water miscible wash. Win Wash A60QS is designed for use in automatic blanket and roller wash up systems. This product offers faster start up after wash cycles, resulting in reduced paper waste. Win Wash A60QS is certified by Fogra for use on Heidelberg presses. Win Wash A60QS can also be used as a manual blanket wash.

The result is a low odour, low irritancy, corrosion inhibited solvent blend, which is safe on rollers and blankets (excluding EPDM rubber compounds), plates and press components. The wash is readily biodegradable and has a low vapour pressure. Therefore Win Wash A60QS can be identified as less harmful product for the user and the environment.

### DIRECTIONS FOR USE

Follow the manufacturer's wash-up instruction. It is advisable to apply a certain amount of water in the wash-up cycle, so all the residue of the wash is removed.

### MAJOR POINTS

- Approved by Fogra Institute for Heidelberg presses.
- Zero aromatics
- Corrosion inhibited
- Readily biodegradable

### PACKAGING

20, 200 and 1000 litre containers
