

Win

Wash A40 QS

AROMATIC FREE BLANKET AND ROLLER WASH

PRODUCT DESCRIPTION

Win Wash A40 QS is a medium drying, corrosion inhibited, water miscible blanket and roller wash with zero aromatic hydrocarbon content, suitable for use by hand or in an automatic wash up system. Winwash A 40 QS will have low paper waste at startups.

DIRECTIONS FOR USE

By hand:

Apply with a cloth or lint free wipe to blanket surface. Allow a few moments for the solvent to penetrate ink film the wipe over with a clean cloth. Finally wash over blanket surface with clean water. When washing rollers, apply with a wash up bottle and run into roller train. Apply scraper blade to remove wash and ink.

In automatic wash up systems:

Follow instructions provided by the manufacturer of the washing equipment. It is important to note that the flash point of this solvent blend is 40°C.

MAJOR POINTS

- Corrosion inhibited.
- Medium drying.
- Plate safe.
- Free from aromatic hydrocarbons.
